

Advent Program Information

Sunday, December 13th at 8:45 am in the Sanctuary

Classes will be spending a portion of the Sunday School hour practicing for the upcoming Advent Program in the weeks leading up to the program. Arriving on time for Sunday School is helpful for the teachers in accomplishing their lessons and rehearsal.

Children and youth need to be in their classrooms by **8:30 am** on December 13th.

During the Advent Program the Rock Solid Worship Group will be leading us in singing a new Christmas song written by Chris Tomlin and Matt Maher: *He Shall Reign*. To become familiar with the song as a family use one of the links below.

Online Resources: Artist: Chris Tomlin; Song: He Shall Reign; Album: Adore

Following the program we will have a time of refreshment and fellowship in Lyons Hall. Please sign up in the lower narthex to either bring a plate of 2 dozen Family Favorite Christmas Cookies or a dozen seedless mandarins (i.e. Cuties or Halos). These may be left in the kitchen prior to the Advent Program. Please keep in mind that West Church is nut free due to several severe nut allergies. The Church will be serving punch along with the refreshments that families bring.

We are asking families to bring either a new winter hat or a pair of mittens with them to the program. These will be collected and then donated to Citizens for Adequate Housing in Peabody. West Church partners with this local ministry throughout the year. These new hats and mittens will be distributed to the many children and youth who reside at CAH's temporary homes or low income housing.
